## Building Peace of Mind

### Not Just Another Contractor

WSL Inc. is a licensed PA contractor and Certified Aging-in-Place Specialist (CAPS) experienced in home modifications for barrier-free living environments. We understand that people want to be able to remain in their homes, but sometimes physical limitations may make that difficult.

WSL Inc. has successfully guided clients through the process of modifying their homes so they could to maintain their independence. Because of this experience and our CAPS training we have the answers to your questions, and can guide you through this type of remodel process better than anyone else. We've installed many handicap accessible bathrooms, wheel chair ramps, home elevators and chair lifts for Pennsylvania homeowners, and there isn't a problem we can't overcome with a sensible solution to make your home more accommodating and safer for you and your family.
